CELBRATION OF LIFE CREMATION PACKAGES

These prices are effective as of **September 1, 2022**, but are subject to change without notice.

Service packages are created by this funeral home to ease the selection process in making funeral arrangements. We have matched select caskets and funeral services and combined some of the other merchandise frequently associated with these services. No credit will be issued for deleted items. While this series of services does include many of the costs associated with a funeral, it does not include cemetery fees to open and close the grave, flowers, nor any cash advance items (i.e. newspaper obituary notices, professional hairstylist, death certificates, honorariums for the minister, organist and vocalist). Due to their varied and specific nature, these items will be charged as selected.
